A. Margaret Zieke – COML
-Motion by Guse, 2nd by Churchill -passed
6. September 10th, 2021 COMU WG Meeting Update
-COMU WG approved Margaret Zieke's COML recognition application, will be going to LMR Subcommittee for final approval
-COMU WG made motion made to update SOG and application language to reflect that an individual must be an evaluator prior to being a final evaluator, current language wasn't clear enough
-Margaret reported only 1 open position in the COMU LTE Unit, she was thanked for her work on this project
-no other comments/questions
7. LMR Subcommittee Vacancies/Renewals/Retirements
 - A. Southwest Region Representative
-open position
 - B. Local Law Enforcement Representative
-open position
 - C. Doug Lofreddo for renewal on the LMR subcommittee
 - D. Don Kimlicka new LMR Subcommittee member for DHS
-names being taken before the Interop Council on 09/23/21
-Ken Korten Hof told Todd today that he was retiring at the end of the year, so a NE Rep will be added to the list of openings on the LMR Subcommittee
-no other comments/questions

8. EMS Communications Plan update
 - Plan is being updated to reflect the new landing zone talk groups
 - no other comments/questions

9. WIFOG Update
 - A Technical Assistance Grant through CISA was used to help develop WIFOG 2.0. The Lafayette Group as part of the TA has been helping with the development of the new WIFOG which is a combination of WIFOG 1.0 and Annex K into one document.
 - Guse asked if a draft would be available for review prior to it coming before the LMR committee for final approval. Margaret said when she hears back from a couple people yet she should be able to send something out next week possibly. She is waiting for information regarding the tribal nations such as maps and contact information. Eric Boulanger said he would reach out and try to help her get this information. Margaret said because of the upcoming changes to the states new radio system to keep track of any changes that you feel need to be made with the next version of the WIFOG. She also said that after the printed version is complete it will be turned over to the developers to create an eWIFOG.
 - From Westover, updates to non-WISCOM interop channels will be discussed at a sequential meeting.
 - no other comments/questions

10. State LMR Encryption Plan update
 - From Westover, an updated statewide encryption SLN list will be completed by 11/01 and will be discussed at a subsequent meeting until then the plan is encrypted
