

# WISCONSIN OFFICE OF EMERGENCY COMMUNICATIONS

## 2024 NextGen9-1-1 Outreach Sessions

### ABOUT THE SESSIONS

Please join us for the Wisconsin Office of Emergency Communications' 2024 NextGen9-1-1 Outreach Sessions! The purpose of these sessions is to provide updated information on the Wisconsin NextGen9-1-1 (NG9-1-1) transition and keep all communications stakeholders informed on the statewide NG9-1-1 implementation progress and lessons learned so far. Each outreach session will cover a variety of topics and provide an opportunity for open dialogue with stakeholders.

### SCHEDULE & TOPICS

**RSVP Link:** [NG9-1-1 Outreach RSVP](#)

## WHO SHOULD ATTEND?

The intended audience for these meetings is the 9-1-1 center/PSAP stakeholders across the state, including:

- 9-1-1 Administrators/Managers
- Communications/Dispatch Supervisors
- 9-1-1 Technical Managers/IT Specialists
- GIS Administrators that maintain local 9-1-1 data

The PowerPoint slides will be distributed after each meeting for those that cannot attend.

## RSVP & EVENT CONTACT INFORMATION

**Individual RSVP is required for in-person attendance at a session.** It is preferred that attendees prioritize in-person attendance at the session that will be closest to your main work location and attend all other sessions virtually. RSVP will be on a “first come, first serve” basis.

A link to RSVP for in-person attendance is available under the [Session](#) information on this flyer. RSVP is not required for attending virtually. If attending a session virtually, please copy the Teams Meeting information to your calendar.

For questions or additional information, please contact:
