Section 2: Project Narrative

A. Provide a summary of the proposed grant project(s) to be funded during the grant period.

B. Provide a proposed timeline for your project(s), including proposed start/end date, anticipated purchasing process plan and implementation schedule. Timeline should not exceed June 1, 2027.

Section 3: Proposed Project Budget

A. Provide a narrative for the proposed budget. The detail provided in the narrative must be sufficient so that reviewers can interpret what each identified cost is and how costs were estimated or calculated in the budget spreadsheet based on the vendor quotes provided. The narrative must also identify the source of the local match required. The budget may include multiple projects. Grant funds cannot be used for existing contracts or costs beyond the grant performance period.

B. Please select an option from the drop down selection identifying your match source. If other, please explain below.

Section 4: Grant Project Sustainability Plan

A. Provide a narrative for the proposed sustainment and maintenance of any grant-funded activities after the grant period has ended. Applicants must demonstrate that any projects that extend beyond the grant period will be sustained.

B. Provide a narrative that demonstrates your regular operating budget will not decrease as a result of receiving this grant award.

Section 5: Standards Compliance Certification

By signing this application form, the Applicant certifies, to the best of their ability, that the information provided below is true and accurate at the time of this grant application.
