

# WISCONSIN OFFICE OF EMERGENCY COMMUNICATIONS

FY25 NG9-1-1 Grant Workshops

April 16, 2024

## ABOUT THE WORKSHOPS

Please join us for the Wisconsin Office of Emergency Communications' **FY25 NG9-1-1 Grant Workshops!** The purpose of each Grant Workshop is to provide a comprehensive walkthrough of the respective FY25 PSAP & GIS Applications, insightful application tips from the point of view of the administering side of the grant programs, and a compiled list of frequently asked questions. The workshops will also provide an opportunity for open dialogue with applicants. These workshops will be important in assisting all eligible applicants in applying for the upcoming FY25 PSAP & GIS Grant Program.
